**JOINT STATUS REPORT**

Pursuant to this Court's July 2, 2019, order (ECF No. 55), the parties submit this joint status report. While the parties are aware of the procedural posture of this case, they believe that an effort to get down to the brass tacks of settlement possibilities over the following month would benefit both parties.

Because the parties continue to make progress in this case, they request that the stay of this case be continued and that the parties be ordered to file a further joint status report by no later than Monday, October 21, 2019. During this time, the parties plan to revisit settlement discussion.

Respectfully submitted this 19th day of September, 2019,
